# Virgin America: selecting dates

Interface display one action per screen to make the process of selecting / inserting data easier.

The screenshot shows a web browser interface for Virgin America's website. The URL in the address bar is [https://www.virginamerica.com/book/rt/a1/lax\\_nyc/20140625\\_20140703](https://www.virginamerica.com/book/rt/a1/lax_nyc/20140625_20140703). The main content area has a purple header "Changing Dates?" and a sub-header "DEPARTURE DATE". Below this, there is a row of seven boxes, each representing a day of the week in June:

Sunday, Jun 22	Monday, Jun 23	Tuesday, Jun 24	Wednesday, Jun 25	Thursday, Jun 26	Friday, Jun 27	Saturday, Jun 28
Not available	From \$629	From \$629	From \$629	From \$429	From \$429	From \$429

The box for Wednesday, June 25, is highlighted with a purple border and a green checkmark, indicating it is the selected departure date. Below this section is another sub-header "RETURN DATE". A second row of seven boxes shows the days of the week in July:

Monday, Jun 30	Tuesday, Jul 01	Wednesday, Jul 02	Thursday, Jul 03	Friday, Jul 04	Saturday, Jul 05	Sunday, Jul 06
From \$372	From \$399	From \$366	From \$392	From \$350	From \$360	From \$409

The box for Thursday, July 03, is also highlighted with a purple border and a green checkmark, indicating it is the selected return date. At the bottom center is a purple "CONTINUE" button.

# Lexus IS: range slider

Sliders are ideally refer to a data as a metaphor.

# Slack: one input (action) per page

Signup in Slack contains one input per view: to make it easier to stay focused.

What's your name?

This is how your teammates in Slack will see and refer to you.

Full name

Full name

Display name (optional)

Display name

By default, Slack will use your full name — but you can choose something shorter if you'd like.

Can we send you email with Slack tips, news, and offers?

Sure!

No thanks
